**Who are they? What will they have done?  
What is going to have happened?**

John works in an automobile factory. He works on the assembly line assembling cars. He works many hours every day. By the time he finishes working today, he is going to have worked 10 hours. He will have assembled over 50 cars.

Chris also works on the assembly line in the automobile factory. In December, he will have worked there for 5 years. By the time he finishes working today, he is going to have worked over 8 hours. He will have assembled about 40 cars today.
